Notes:

1. Activities authorized by this Permit are governed by Federal Regulations at 50 C.F.R. Part 680 et. seq.; regulations can be found on the Internet Web Site maintained by the NOAA Fisheries (NMFS) at: www.fakr.noaa.gov.
2. "Fishable IFQ Pounds" is the net amount of IFQ pounds of crab that is authorized to be harvested under this permit, as of the date printed above. It is the permit holder's responsibility to verify remaining IFQ pounds before conducting IFQ fishing activities.
3. A variety of state and federal regulations govern commercial fishing and processing privileges. It is the responsibility of any person conducting fishing and/or processing activities under the authority of this permit to understand and comply with those regulations.
4. Regions for IFQ delivery: "N" = North; "S" = South; "U" = Undesignated; "W" = West; "None" means the IFQ may be delivered to a Registered Crab Receiver in any Region.
5. Classes for IFQ delivery: Class "A" IFQ must be delivered to a Registered Crab Receiver (RCR) with available IFQ pounds; Class "B" IFQ and IFQ with Class = "NONE" may be delivered to any Registered Crab Receiver.
6. Annual applications are required for yearly re-issuance of this permit. A complete application includes submission of any required economic data reports and payment of any fee obligations.
